SPECIAL INSTRUCTIONS FOR LOGGING

You should report on this form if you are engaged in logging or sawmill operations that include the following activities: cutting timber, chipping, sawing, resawing, planing, or kiln drying. This form is applicable even if you perform these activities on timber, logs, or lumber owned by others.

Please report for all items on the form. For any items that do not apply to your operation, please report a "0" (zero) or mark the "0" check box, if the item has one.
