General Reporting Guidelines

EIN:
Store / Plant:
CFN:

GENERAL REPORTING GUIDELINES

Reporting Period

Responses should cover calendar year 2017.

- If your fiscal year covers at least 10 months of calendar year 2017, you may report by fiscal year on all items EXCEPT payroll.
• Calendar year figures for payroll may be available from:
- IRS Form 941 (Employer's Quarterly Federal Tax Return)
- IRS Form 944 (Employer's Annual Federal Tax Return)
• If you report by fiscal year, indicate the exact dates of the fiscal year on the submission certification screen.

Providing Estimates

If book figures are not available, estimates are acceptable.

How to Report Dollar Figures:

Dollar figures should be rounded to thousands of dollars.

EXAMPLE - if a dollar figure is \$2,036,355.25, report 2036:

Check if None

Item 18: Detailed Cost of Materials, Parts, and Supplies

EIN:
Store / Plant:
CFN:

ITEM 18: DETAILED COST OF MATERIALS, PARTS, AND SUPPLIES

Of the **\$,000.00** of materials, parts, and supplies in 2017, reported on Item 16, line A1, how much was for the following specified materials?

General - The sum of the costs of the itemized materials in this section should equal the figure reported on **Item 16**, line A1 (*Cost of materials, parts, containers, packaging, etc. used*). The following is a breakout of the \$,000.00 currently reported there. The materials, parts, and supplies listed below are commonly consumed in the manufacture, processing, or assembly of the products listed in **Item 22**.

- Please review the entire list and report separately each item consumed.
- Leave a material blank if you did not consume the item.
- Report materials, parts, and supplies purchased, transferred from other plants of your company, or withdrawn from inventory.
- If the information as requested cannot be taken directly from your book records, **reasonable estimates are acceptable**.

Valuation of Materials Consumed - The value of the materials, parts, and supplies consumed should be based on the delivered cost; i.e., the amount paid or payable after discounts, and including freight and other direct charges incurred in acquiring the materials.

- Materials transferred from other plants within your company should be reported at their full economic value (the value assigned by the shipping plant, plus the cost of freight and other handling charges).
- If purchases or transfers do not differ significantly from the amounts actually consumed, you may report the cost of purchases or transfers. However, if consumption differs significantly from the amounts purchased or transferred, these amounts should be adjusted for changes in the materials and supplies inventories by adding the beginning inventory to the amount purchased or transferred and subtracting ending inventory, reported on **Item 9**.

Contract Manufacturing - The value of materials used for products produced under contract by other companies.

Include:

- Materials purchased by this establishment to be consumed by companies that are manufacturing products for this establishment under contract.

Exclude:

- Amounts paid to companies that are manufacturing products for this establishment under contract. Report these amounts on **Item 16**, line A3 (*Cost of work done for you by others on your materials*).
- Materials owned by other companies but used by this establishment to make products under contract or for a commission.

Wholesaling Activities (previously **Resales**) - The costs of imported or domestic products bought and sold or transferred from other establishments of your company and sold without further manufacture, processing, or assembly **should not be reported here**.

- The cost of these wholesale products should be reported on **Item 16**, line A2 (*Cost of products bought and sold without further processing*).
- The value of these wholesale products shipped by this establishment should be reported in **Item 22** on the line appropriate for the type of Wholesaling activity being reported.

ITEM 22: DETAIL OF SALES, SHIPMENTS, RECEIPTS, OR REVENUE

Of the \$,000.00 of Sales, Shipments, Receipts, or Revenue reported in **Item 5**, what was the value for each product or service?

General – Please do not combine product lines. If the information is not directly available from your records, **reasonable estimates are acceptable.**

If quantities are requested, please use the unit of measure specified.

Below are the products and services you previously selected. If you make products or have revenue from sources not listed, describe and report them in the "All other sales, shipments, receipts, or revenue from this establishment" section at the end of this question.

Manufacturing of Products Section – Report the value of the products shipped and services performed at the net selling value, free on board (FOB) plant to the customer, after discounts and allowances.

Include:

- Products made elsewhere by others from materials supplied by this establishment. Report these products on the specific lines as if they were made in this establishment.
- Products transferred to other establishments within your company. These products should be assigned the full economic value (market value); i.e., include all direct costs of production and a reasonable proportion of all other costs and profits.

Exclude:

- Wholesaling products (previously **Resales**), which include products that are bought from other establishments or transferred from other establishments of your company and then **sold without further manufacture, processing, or assembly** by this establishment. Report these products in the appropriate Wholesaling products line(s) you selected or else describe and report them in the "All other sales, shipments, receipts, or revenue from this establishment" section at the end of this question.
- Products **made from materials owned by others** (i.e. the customer). Report your commission or contract receipts in the appropriate Contract Manufacturing products line(s) you selected or else describe and report them in the "All other sales, shipments, receipts, or revenue from this establishment" section at the end of this question.
- Freight charged
- Excise taxes

Special Reporting Instructions and Definitions -

Sections A, B, and C cover the detail value of shipments of apparel and accessories manufactured in the United States. **Garments must be at least cut in the United States to be considered manufactured.**

Manufacturers, including custom apparel manufacturers, government contractors, and companies having garments made for them by domestic contractors, should report the product detail in sections A, B, or C. Purchased garments or imports should be reported in section D.

Domestic (nongovernment) contractors, knitting mills, and companies exclusively buying and reselling apparel and apparel accessories should only report their total sales in section D. Do not complete sections A, B, or C, but please indicate the nature of the operations in Item 31: Remarks section at the end of the instrument.

Note: Multi-plant apparel companies that cut and sew apparel in separate plants of the company should treat the sewing plants as contractors to the cutting establishment.

Imported garments:

- The product detail in sections A, B, and C should also include garments cut in the United States, but sewn offshore and imported back into the United States under the provision of Item 9802 (formerly 807.00) of the Tariff Schedules of the United States.
- Finished garments that are imported and not part of "9802" garments, should be reported in section D, and not included in the product detail of sections A, B, or C.

Reference List:

- Men's and Boys' (including juniors' and little boys') and Unisex apparel - Section A
- Women's, Girls', and Infants' apparel (including Misses' and Juniors') - Section B
- Other Apparel and Apparel Accessories - Section C
- All Other Revenue from this Establishment - Section D

Sizes:

- Men's and junior boys' - Include all men's and junior boys', preps (cadets) and students' sizes. These usually include boys', junior boys', and preps sizes 6-20,

- Little boys' - Include little boys' sizes 4-7, and toddler boys' sizes 2T-4T.
- Women's, misses', and juniors' - Include all women's, misses', and juniors' sizes. Include all size runs that are designed to fit adult women.
- Girls' - Include girls', subteen, and teenage girls', usually sizes 7-16. Include little girls' sizes 4-6X, and toddler girls' sizes 2T-4T.
- Infants' - Include all garments sizes 0-24 months.

Services Section – Report receipts from providing services to customers or other establishments of your company; services include engineering, maintenance, repair, installation, etc.

Wholesaling Products Section – Report sales for each product line sold by this establishment. In prior Censuses, these product lines were grouped together in one product code for **Resales**.

Include:

- Products bought from other establishments or transferred from other establishments of your company and then **sold without further manufacture, processing, or assembly** by this establishment.
- Imported products, including products made by your foreign affiliates, which are **sold without further manufacture, processing, or assembly** by this establishment.

Exclude:

- Receipts for construction, delivery, installation, and service contracts from the commodity sales. Report these products in the appropriate products line(s) you selected or else describe and report them in the "All other sales, shipments, receipts, or revenue from this establishment" section at the end of this question.
